

Gigaset DE310 IP PRO VoIP Phone

Product Name: Gigaset DE310 IP PRO VoIP Phone

Manufacturer: -

Model Number: DE310

Please Note: The Gigaset DE310 has been discontinued. For an alternative, we highly recommend the Gigaset PRO Maxwell 10.

Gigaset DE310 IP PRO VoIP Phone

A basic IP phone offering with great value in its class from Gigaset.

The Gigaset DE310 IP phone is for small and medium businesses demanding a basic phone system to manage their professional calls and phonebooks. Flexible to use, hassle-free set up and exceptional wideband sound make the DE310 IP PRO from Siemens Gigaset perfectly suited for intuitive business communication.

Gigaset DE310 Key Features:

- Up to 2 SIP accounts
- Exceptional HD sound with HDSP
- Adjustable 3-line display plus icon area, b/w inverted
- 5-way navigation key for easy operation
- Multiple ringtones, selectable per line
- Headset connection: corded
- Integrated power over Ethernet
- Classic PBX calling features
- Direct dialing of Microsoft Outlook contacts via PC
- Local network directories and public online directory
- Ethernet (10/100) with 2-port switch
- SRTP/TLS encryption
- Professional zero-touch auto-provisioning setup
- Certified hearing aid compatible
- Energy-saving ECO features
- Wall-mountable (adaptor included)

Adjustable display always provides a comfortable view from different positions.

The intuitive user interface with an extra icon row on the illuminated black/white display grants easy access to the Siemens Gigaset DE310 IP PRO's call management options.

Easy and convenient navigation.

Quick and ergonomic, the 5-way navigation key simplifies operation on the Siemens Gigaset DE310 IP PRO, with real-time speed on phonebook-browsing and other professional features.

Straightforward setup and auto-provisioning.

Step-by-step wizards handle the Siemens Gigaset DE310 IP PRO's complete installation and configuration. Auto-provisioning from Gigaset partners offers hassle-free remote configuration and management. Downloadable VoIP profiles guarantee an easy start.

Professional HD sound.

Exceptional HDSP sound on the Siemens Gigaset DE310 IP PRO adds business efficiency: superb and clear wideband audio technology makes calls sound like face-to-face meetings.
