Product Name: Valcom VIP-419-D IP Wall Speaker
Manufacturer: -
Model Number: VIP-419-D

Availability: In stock
Valcom VIP-419-D IP Wall Speaker
The Valcom VIP-419-D IP Wall Speaker is a flush mount wall speaker unit with a 5 character integrated digital clock. It is white in color and features a white metal grill over the speaker.
The VIP-419-D One-Way IP Wall Speaker with Clock enables voice access to a single zone of one-way paging over an IP-based LAN/WAN. This allows a page zone extension anywhere on the network. The speaker level is electrically adjusted during set up. Clock synchronization is initiated via connection to a factory pre-programmed time server. The enclosure is made of steel with a durable white finish. The color of the enclosure can easily be changed to match any decor. Power is provided to the VIP-419-D via a Power over an Ethernet switch meeting the 802.3af specification.
