Pika T1/E1 Span License (30 ports)

Product Name: Pika T1/E1 Span License (30 ports)

Manufacturer: -

Model Number: -

Availability: Discontinued

Unparalleled Flexibility

Every T1/E1 gateway card ships from Pika with hardware capacity for up to 4 spans. At initial order,1, 2, 3 or 4 T1/E1 spans are enabled. However, should your Asterisk system grow over time, you can expand the port capacity by installing a cost effective span upgrade license (shipped to you by email). How simple can it get!
