

**To mount the enclosure:**

1. Prepare holes for the screws.
2. Plug in the power adapter and use the **Power (PWR)** LED to verify that the power is on.
3. Plug the ethernet cable into the device. The **Link/Activity (Link/Act.)** LED verifies the network connection.
4. For wall mounting, use the three #6 x 1-1/4-inch Pan Head Phillip screws to secure the speaker.
