

LINKVIL Bluetooth Wireless Headset **DH301B**

LINKVIL DH301B Bluetooth Wireless Headset is built for modern work scenarios, keeping you productive in the office, at home, or on the go. With Bluetooth multipoint connectivity, it connects to a PC, mobile device, or desk phone simultaneously for efficient one-to-two communication. Its lightweight, ergonomic design ensures all-day comfort, while the AI-powered noise-canceling microphone and high-quality speakers deliver crystal-clear calls for professional conversations. A built-in Busylight minimizes interruptions, and dual charging options—via USB-C cable or charging base—provide flexibility and convenience. Fully compatible with Fanvil VoIP phones, the DH301B is an ideal solution for seamless communication and multi-device collaboration.
