

# H10 Headset

**Roam throughout the office,**  
continue your conversations, and enjoy the  
freedom of wireless communications

## DECT wireless headsets are optimized for Sangoma IP desk phones

### Hands-Free Productivity

Give workers the freedom to roam around the office while staying connected to their phone calls with wireless ranges up to 325 feet. Answer phone calls directly from your wireless headset (using our optional EHS adaptors).

### Automatic Integration

Sangoma headsets are compatible with all Sangoma IP phones. Simply connect your headset and enjoy the instant convenience and flexibility to answer calls from your desk phone or headset.

### Superior sound Quality

DECT technology eliminates Wi-Fi interference and wideband audio provides crystal clear conversations.

### Noise Cancellation

Eliminates background noises so that all callers are always heard.

### Superior Call Handling

One-touch control with optional electronic hook switch adapters for call pickup, volume and mute up to 325 feet away from your desk for the ultimate flexibility.

### All-Day Battery Life

Workers who answer calls all day, such as call center agents, can work comfortably with their headset always on, without worrying about battery.

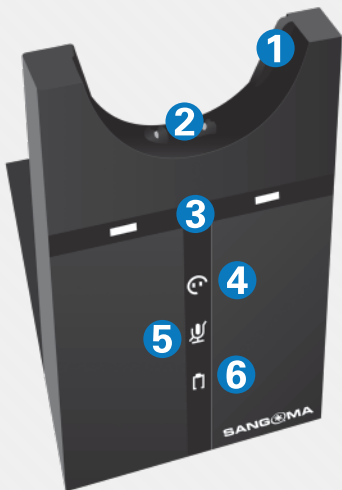

### On-call LED

Know when someone is on a call with on-call LED indication, and avoid interrupting their conversation.

# H10 Features

- ❶ Headband
- ❷ Speaker Volume (Down)
- ❸ Microphone Mute
- ❹ Speaker Volume (Up)
- ❺ Multi-Function Button
- ❻ Headset Status LED

- ❶ Headset Cradle
- ❷ Charger Contacts
- ❸ Headset in Use Lights
- ❹ Headset Indicator LED
- ❺ Microphone Mute LED
- ❻ Battery Status LED

## Designed with automatic configuration for Sangoma D/S-Series IP phones

### Compatible Desk Phones:

- » S206, S305, S406, S505, S705
- » D60, D62, D65, D80

### Call Control:

- » Multi-function button support to answer, end, or reject calls

### Volume Control and Microphone Mute:

- » Button controls on headset

### Microphone:

- » Noise-canceling wideband microphone

### Speaker(s):

- » Wideband speaker

### Range:

- » For U.S. DECT, up to 350 feet from H10 DECT Headset base to headset. For European DECT, up to 120 meters from H10 DECT Headset base to headset

### Wireless Standard:

- » (CAT - IQ) U.S. DECT and European DECT

### Frequencies:

- » U.S. DECT: 1.92 - 1.93 GHz. EU DECT: 1.88 - 1.90 GHz

### Sound Quality:

- » DSP noise reduction; echo cancellation; tone control; wideband and narrowband audio

### Visual Indicator:

- » LED indicates call status, pairing status and other events

### Audio Indicator:

- » Tones indicate incoming calls, low battery, volume level, microphone muting and other events

### Wearing Style:

- » Headband and ear hook
- » Long boom arm

### Battery Type:

- » Lithium Ion-Polymer

### Battery Capacity:

- » A300 mAh, typical

### Battery Talk Time:

- » Up to eight hours

### Battery Standby Time:

- » At least 36 hours

### Battery Charge Time:

- » 20% charge in less than 20 minutes
- » 50% charge in less than 45 minutes
- » Full charge in less than three hours

### Battery Lifetime:

- » Minimum 1000 charge cycles

### Battery Shelf Life:

- » Headset battery holds charge for six months in the off state before recharge is required

### Desk Phone Connections:

- » RJ-11 for handset, RJ-11 for phone body (or headset port), RJ-45 for EHS AUX

### Dialtone Adjustment Switch and Microphone Volume Switch:

- » Electromechanical switches. Dialtone adjustment switch and microphone volume level set manually

### Dimensions:

- » 97 mm x 75 mm x 120 mm

### Operating Environment:

- » -0°C to +40°C; Up to 95% Rh non-condensing

### Limited Warranty:

- » One year

### Optional Accessories:

#### Electronic Hook Switch (EHS)

- » EHS adds remote answer/disconnect convenience

#### EHS ADAPTER

- » Compatible with S406, S505, S705 (SKU:PHON-ACCS-EHS30-SNG)

#### EHS CABLE

- » Compatible with D60, D62, D65, D80 (SKU:1TELHC01LF)
