Portable design

Mobile, elegant and light (320g) design, the CP900 is ideal for on-the-go business professionals for storage in a suitcase.

High-quality audio

- Wideband audio, HD voice and six-microphone beamforming for a premium full-duplex experience all make it easier to be heard and involved in the meeting.
- Enjoy crystal-clear sound thanks to Yealink's distraction-free HD audio technology, which includes AEC, NS and DSP.

Six-microphone beamforming

Acoustic Echo Cancellation

Noise Suppression

Digital Signal Processing

Ease of connection

Simple plug-and-play USB or Bluetooth connections to computers, smartphones and tablets.

Touchable smart button

Multiple buttons for full call-control compatibility offer a low-learning-cost experience and call effectiveness.

Deep integration with Microsoft Teams includes a dedicated Teams button, making it easier for users to achieve Teams collaboration.
