Easy Audio and Visual Communication

The Yealink SIP-T5 Smart Media Phone Series, including SIP-T58V, SIP-T58A and SIP-T56A, is intended to enable productivity-enhancing visual communication with the ease of a standard phone. Based on Android 5.1.1 operating system, both SIP-T58V and SIP-T58A features a seven-inch adjustable multi-point touch screen, and with a removable two-megapixel HD camera CAM50, you can easily turn your SIP-T58A into a video phone ready like SIP-T58V; for the SIP-T56A, it is a competitive smart audio phone with a seven-inch fixed touch screen. The Yealink SIP-T5 Smart Media Phone Series strikes an exquisite balance between simplicity and sophistication, offering an all-in-one communications solution for today's busy executives, managers and teleworkers.
