

## Connect, communicate, and collaborate clearly.

With all the communication options in your office arsenal—from VoIP to video conferencing to speech recognition—voice quality is more important than ever. VXi designed the Envoy™ UC to give you best-in class sound quality so you can make the most of every interaction, no matter the medium.

### Benefits

- Be heard clearly with the industry's best noise canceling—guaranteed.
- Enjoy the full benefit of any telecommunications application.
- Get better results with voice recognition software.
- Sound like you're in a private office, even when you're not.
- Just plug in the USB connection and you're good to go.
- Control volume and answer, end, or mute calls with inline controls.
- Wear all day in complete comfort.

Make the most of every voice-driven application, from softphone to speech recognition.

## Product Highlights

- USB interface for plug-and-play ease of use.
- Hi-fi audio with DSP for clearer conversations and great sound quality.
- Advanced noise canceling eliminates background noise and improves communication.
- Works with popular UC and softphone applications.
- Lightweight, comfortable design is easy to wear, all day.
- Real-world durability stands up to every-day use.
- Inline control of volume, mute and call answer/end.\*
- Two-year, hassle-free warranty.

\*Call answer and end controls may require VXi Connect™ software. Refer to [vxicorp.com/usb](http://vxicorp.com/usb) for details.
