

Every word gets heard.

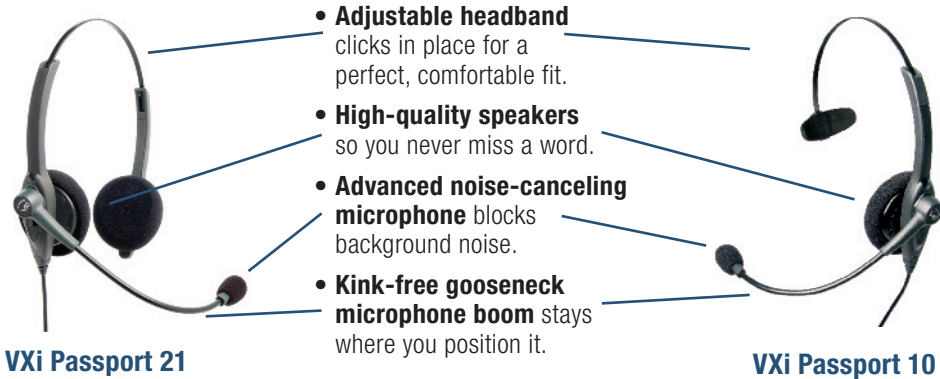

Designed and built with business in mind, the VXi Passport® delivers the accuracy and clarity contact center and office professionals demand—so both sides of the conversation hear and understand the first time. That means shorter, more productive conversations. Passport is all-day comfortable, too. Its light weight and stay-in-place adjustability help keep users focused on their work, not their headset.

Benefits

- Be heard clearly with the industry's best noise canceling—guaranteed.
- Wear all day in lightweight comfort.
- Stay focused, with its stable, custom fit.
- Count on Passport's real-world durability.
- Maximize your equipment investment. Available with VXi, Plantronics® or GN Netcom®/Jabra®-style quick disconnects.

VXi Passport. Designed and built with business in mind.

Product Highlights

- Advanced noise canceling improves communication by cutting nearly 90% of background noise.
- Flexible microphone boom stays where you put it for optimal sound quality.
- High quality speaker(s) for clear and consistent communications.
- Single-wire design stays out of your way.
- Compatible with VXi, Plantronics® or GN Netcom®/Jabra® amplifiers and direct-connect cords.
- Two-year warranty.
