M325

Up to 20 handsets on single-cell DECT base station

M325

Up to 20 handsets on single-cell DECT base station

Key Features

- \cdot M300 base station and M25 handset package
- \cdot Up to 20 handsets
- \cdot Up to 5 parallel calls
- \cdot 75 hours standby and 7 hours talktime

Comprised of the M300 base station and one M25 handset, this single cell DECT package forms the basis of a uniquely powerful and expansive mobile telephony solution.

Running up to 20 handsets on the base station, this solution means that there will be enough phones for everyone in a small office environment.

With a range of up to 300 meters outdoors and approximately 50 meters indoors, the base station provides broad coverage, which can be extended by adding up to three snom M5 repeaters to ensure there are no blind spots in a deployment.

snom's single cell DECT solution is easy to install and provision and utilizes the same interface as snom desk phones for a comfortable and familiar user experience. The solution is interoperable with the full spectrum of major IP-PBX systems.

No extra licenses are required for additional codecs, features, audio channels, etc. resulting in no unexpected additional costs or surprises.

Benefits

M25 handset

- \cdot TFT color display 1,44", 128 x 128 pixels
- \cdot 3,5 mm headset jack
- · Hands-free talking (speakerphone)
- \cdot Up to 75 hours standby time and 7 hours talktime
- \cdot 2 x AAA standard batteries
- $\cdot \; \text{Message LED}$

M300 base station

- \cdot Wall mountable
- · 1-port 10/100 Mbps connector (RJ45)
- \cdot Up to 20 handsets (M25 or M65)
- \cdot Up to 3 repeaters per base station

Firmware

Features

- \cdot 20 SIP accounts for up to 20 handsets
- · Call Lists for dialed, received, missed calls
- · Directory with 50 entries (M25 handset)
- · Central directory on the base station with LDAP support
- · Multiple language support
- \cdot Out-of-band DTMF/SIP INFO DTMF
- · Interoperable with all major SIP-PBX platforms
- \cdot Over the air firmware update

Call features

- \cdot Caller identification
- · Call waiting
- \cdot Auto answer
- \cdot Lists of missed, received and dialed calls
- · Hold
- \cdot Handling of up to 2 simultaneous calls
- \cdot Blind and attended transfer
- \cdot Keyboard lock
- \cdot Key tones
- \cdot Coverage warning

Audio

\cdot Codecs:

- · G711 A-law, µlaw
- · G722 (wideband)
- •G726
- · G729 (A/AB including VAD)
- · 6 built-in assignable ringtones (M25)

Set-up

- · Base station configurable via web interface
- · Provisioning:
 - · DHCP Options 66/67/43
 - · Plug & Play (PnP)
 - \cdot snom redirection service
 - · Secure provisioning with preinstalled certificate
- \cdot Handset firmware update over the air via DECT

Specifications

Protocols

- · SIP (RFC3261)
- \cdot DHCP, NTP
- · HTTP/HTTPS/TFTP
- · LDAP (central Directory)

User Interface

- \cdot 21 keys (including navigation) on M25
- \cdot Configurable high-visibility red LED for
- call indication / message waiting / battery warning
- · Menu driven interface
- \cdot Reset key on M300
- · Localization (language, time, dial tone)

Security

- DECT wireless encryption
- · Transport Layer Security (TLS)
- · SRTP (RFC3711), SIPS
- \cdot VLAN
- \cdot Web interface password protection

Phone Features

M300 base station

- · Dimensions: 178 x 120 x 30 mm
- · Input voltage: 5V DC

M25 handset

- · Dimensions: 134 x 42 x 23 mm
- · Input voltage: 5V
- · Hearing aid compatible
- · Environmental conditions
 - · Ambient temperature: 0° to 40° C (32° to 104°F)
 - · Non-operating temperature: -10° to 45° C
 - · Relative humidity: 5% to 95% noncondensing
- · Included in delivery:
 - · M300 base station
 - · M300 power supply
 - · M25 handset with 2x AAA batteries
 - · M25 charging cradle with power supply
 - · Ethernet cable
 - · Safety sheets, quick start guide
- · Color: black
- · Part numbers: EU 00003955 US 00003954 AU 00004161

Type Approval

- · EN 301406 (TBR6)
- · IEC60950 -1 (Safety)
- · CSA c-CSA-us / UL60950 1
- · EN 301489 (EMC, ESD)
- · RF (EMF, SAR)
- · FCC part 15D, conducted & radiated
- · FCC part 15B
- · RSS213

Part numbers for compatible devices

- · M25 handset EU 00003987 US 00003988 AU 00004160
- 00003969 · M65 handset:
- · M5 repeater: 00003930
