

## UC-ready when you are.

One look and you know the VXi UC ProSet™ is different. When you experience its wideband audio and vastly superior noise canceling, and feel how truly comfortable it is, you'll understand just how different the UC ProSet is. Whether you already have a Unified Communications system, or are still weighing your options, the VXi UC Pro is ready when you are—delivering the kind of performance and value you can only get from VXi.

### Benefits

- Be heard clearly with the industry's best noise canceling—guaranteed.
- Enjoy clear conversations and natural-sounding wideband audio.
- Maximize your Unified Communications capabilities.
- Stay focused, with its stable, custom fit.
- Wear comfortably, all day, every day.
- Preserve your equipment investment. Available with VXi, Plantronics® or GN Netcom®/Jabra®-style quick disconnects.

UC ProSet delivers the kind of performance and value you can only get from VXi.

## Adjustable headband

clicks in place for a perfect, comfortable fit.

## Flexible, snap-lock microphone boom

stays where you position it.

## Advanced noise-canceling microphone

blocks background noise.

## Braided, fabric-feel cord

stays kink-free and flexible.
