

Yealink BH71 Mono Bluetooth Headset

Product Name: Yealink BH71 Mono Bluetooth Headset

Manufacturer: Yealink

Model Number: BH71

Yealink BH71 Mono Bluetooth Headset

The Yealink BH71 Headset uses 4-microphone beamforming noise cancellation technology that ensures clear communication, regardless of your location - be it busy streets or office settings. You can wear the headset comfortably all day, as the ear hook can be easily adjusted to fit your ear perfectly. The entire headset weighs only 18 grams, which adds to the comfortable wearing experience.

Yealink BH71 Key Features

- 4-mic array beamforming noise cancellation
- Adjustable ear hook for comfortable wearing
- 10-hour talk time

The BH71 offers a long-lasting battery life, with up to 10 hours of talk time, sufficient for all-day use. For BH71 Pro and BH71 Workstation Pro models, there is an additional portable charging case that can provide an extra 20 hours of battery life for the headset. When not in use, simply place the headset in the charging case to charge it. The charging case can be used for up to a week, ensuring you never run out of power when you're on-the-go. (The BH71 model comes with a carrying case that does not have a built-in battery.)
