

Yealink UH37 Dual Professional USB Headset

Product Name: Yealink UH37 Dual Professional USB Headset

Manufacturer: Yealink

Model Number: UH37 DUAL TEAMS

Yealink UH37 Dual Professional USB Headset (UH37-Dual-Teams)

The Yealink UH37 is a high-quality headset that connects to your computer via a USB cable. It has a 35mm speaker and impressive stereo sound that enhances your audio experience when making calls or listening to music. With the dual microphone's noise reduction technology, your conversations will be clearer, and the oval ear cushions made of noise-isolating foam provide excellent passive noise cancellation.

Yealink UH37 Headset Key Features

- Professional USB wired headset
- 35mm speaker with excellent stereo sound
- Dual microphone noise reduction technology
- Noise-isolating foam oval ear cushions
- Skin-friendly leather headband and ear cushions
- Compatible with major UC platforms and Yealink IP

This headset is very lightweight and comfortable to wear all day long, thanks to its skin-friendly leather headband and ear cushions. It's perfect for those who work remotely, whether in an office or at home, and helps increase productivity by allowing you to focus on your work. The UH37 is compatible with major UC platforms and can be integrated natively with Yealink IP for seamless performance.
