

## Yealink UH37 Mono Professional USB Headset

Product Name: Yealink UH37 Mono Professional USB Headset

Manufacturer: Yealink

Model Number: UH37 Mono Teams

Yealink UH37 Mono Professional USB Headset (UH37 Mono Teams)

The Yealink UH37 Mono is a premium USB wired headset that offers exceptional sound quality. It features a 35mm speaker that produces impressive stereo sound for an enhanced audio experience during calls and music playback. The dual microphone's noise reduction technology ensures clearer conversations, while the oval ear cushions made of noise-isolating foam provide excellent passive noise cancellation.

Yealink UH37 Mono Key Features

- Professional USB wired headset
- 35mm speaker with excellent stereo sound
- Dual microphone noise reduction technology
- Noise-isolating foam oval ear cushions
- Skin-friendly leather headband and ear cushions
- Compatible with major UC platforms and Yealink IP

The UH37 Mono is ultra-lightweight and incredibly comfortable to wear for extended periods, thanks to its skin-friendly leather headband and ear cushions. It's perfect for remote workers, whether in an office or at home, and helps to improve productivity by enabling you to focus on your work. The headset seamlessly works with major UC platforms and can integrate natively with Yealink IP for optimal performance.
