

## Yealink W57R DECT Handset (W57R)

Product Name: Yealink W57R DECT Handset (W57R)

Manufacturer: Yealink

Model Number: W57R

### Yealink W57R DECT Handset

Introducing the Yealink W57R DECT Handset - your perfect solution for professional mobile communication needs! With its sleek and business-like appearance, this phone offers exquisite design details, making it perfect for everyday use. Its compact size and lightweight make it easy to carry, and it comes with a belt clip for added convenience.

The W57R features a 1.8" TFT color display and an optimised dial-pad layout, making it user-friendly and intuitive. It also has a disinfectant-resistant surface and will not fade when exposed to UV-C light. Additionally, this phone offers superior durability, as it can withstand falls of up to 3.5 meters without being damaged, making it perfect for harsh work environments. Its rubber surface also protects against slips, scratches, and everyday wear and tear.

### Yealink W57R Key Features

- 1½ Rugged and durable with IP54 protection and scratch resistance
- 1½ High-quality audio with HD voice and Flexible Noise Reduction
- 1½ User-friendly design with 1.8" color screen and vibration alarm
- 1½ Long battery life with up to 40-hour talk time
- 1½ Seamless compatibility with Yealink Multi-Cell System and DECT bases
- 1½ No Perception Upgrade, easy to integrate into existing setups.

With over 20 years of experience in audio technology, Yealink has incorporated state-of-the-art technologies into the W57R to provide users with crystal-clear calls. It delivers a stable and high-quality audio experience even in complex or wireless interference-filled environments. Moreover, it has a noise-cancellation feature, which eliminates background noise, making conversations noise-free.

The W57R also boasts an exceptional battery life, offering up to 40 hours of talk time and 575 hours of standby time. Additionally, it features a vibration alarm, keypad backlight, and keypad lock, making it user-friendly and flexible. Its no perception upgrade feature also ensures that it does not affect any work.

The Yealink W57R is fully compatible with Yealink W80/W90 Multi-Cell System and DECT bases of single cell (W70B) for small-to-medium-sized businesses. It provides a seamless mobile communication experience with industry-leading roaming solutions to meet the diverse needs of scalable DECT solutions.

The Yealink W57R DECT Handset is a rugged, reliable, and user-friendly phone that is perfect for professionals in need of exceptional mobile communication solutions. Don't hesitate to contact us for more information on business phone services, DECT phones, IP phone systems, and desk phone holders.
