Yealink WH63 Portable Teams DECT Wireless Headset

The Yealink WH63 is a revolutionary DECT wireless headset accompanied by a DECT dongle. This headset not only provides the convenience of plug-and-play functionality but also ensures easy portability, perfectly suited for on-the-go and Hybrid work scenarios. Its adaptability shines across various use cases, with a remarkable call range spanning 3 to 5 times that of Bluetooth headsets, guaranteeing that important calls remain within reach, even when distanced. Not too dissimilar to the WH63 Portable UC however the Yealink WH63 Portable Teams comes with a teams button to integrate directly with Teams.

Yealink WH63 Key Features:
