

Yealink WHC60 - Wireless Charger for WH66/WH67

Product Name: Yealink WHC60 - Wireless Charger for WH66/WH67

Manufacturer: Yealink

Model Number: WHC60

Yealink WHC60 - Wireless Charger for WH66/WH67

The Yealink WHC60-Wireless Charger is engineered to elevate the capabilities of the WH66/WH67 to an entirely new dimension. Installation is a breeze; simply plug and play without the need for any cables.

Yealink WHC60 Key Features:

- Plug and play
- Adjustable panel
- Wireless charging

This wireless charging stand, when paired with the WH66/WH67, transforms into a versatile mobile phone workstation. By connecting your mobile phone to the WH66/WH67 via Bluetooth, placing your phone on the WHC60, and adjusting the angle for optimal positioning, you can seamlessly initiate video teleconferences with crystal-clear audio using the WH66/67.
