Product Name: Yealink WHD621 Dect headset with charging cable

Manufacturer: Yealink

Model Number: WHM621 with charging cable

Yealink WHD621 Dect headset with charging cable

The Yealink WHD621, bundled with a charging cable, serves as a versatile DECT headset seamlessly compatible with the W70B/W80 Multi-Cell System or W90 Multi-Cell System DECT base, offering exceptional flexibility. This headset can function independently, connecting directly to the DECT base, or collaborate with a DECT handset via a shared SIP account for call management and dialing. Thanks to advanced DECT technology, it maintains a reliable connection within a remarkable range of up to 300 meters, providing freedom of movement without range concerns.

Yealink WHD621 Key Features:

- Yealink Acoustic Shield technology

- Mono DECT headset with charging cable

- Indoor wireless range of up to 50m

- Talk time up to 10 hours

Beyond essential call functions, it features a convenient push-to-talk capability for instant messaging or full-duplex meetings, along with a programmable button for redial or speed dial. Additionally, an intercom function facilitates internal calls without network connectivity, while prioritising all-day comfort. Also coming equipped with Yealink Acoustic Shield Technology, its dual microphones adeptly suppress background noise, ensuring crystal-clear voice communication and enhanced efficiency.
