

Yealink WHD631 Dect headset with charging cable

Product Name: Yealink WHD631 Dect headset with charging cable

Manufacturer: Yealink

Model Number: WHM631 with charging cable

Yealink WHD631 Dect headset with charging cable

The Yealink WHD631 is a DECT headset compatible with the W70B/W80 Multi-Cell System/W90 Multi-Cell System DECT base, offering versatile connectivity options. It can function independently by connecting directly to the DECT base or share a SIP account with a DECT handset for call management. Benefit from DECT technology's stability and a generous range of up to 220 meters, granting you the freedom to move without range concerns. Moreover, the headset boasts practical features like answer, reject, hold, mute, and a push-to-talk function for instant messaging or full-duplex meetings. Customisable buttons enable redial or speed dial, and an intercom function allows free internal calls without network access.

Yealink WHD631 Key Features:

- In-ear DECT headset with charging cable

- Yealink Acoustic Shield technology

- Talk time up to 10 hours

- Wireless range up to 50 metres indoors

The WHM631 offers all-day comfort and employs Yealink Acoustic Shield Technology, ensuring crystal-clear communication by automatically blocking background noise while preserving the speaker's voice, greatly improving communication efficiency. Be heard clearly and distinctly with this advanced technology.
