Yealink WH62 Dual DECT Wireless Headset

The Yealink WH62 give you peace of mind with Yealink's personal collaboration devices, where guaranteed compatibility ensures a seamless calling experience across various UC platforms. With an extensive range of headsets, speakerphones, and USB cameras, users can count on improved communication quality, heightened productivity, and reduced IT expenses. Embrace mobility without the need for a DECT base station by harnessing the Yealink DECT dongle WDD60, providing a practical and reliable wireless DECT headset with easy 'Plug-and-Play' installation and a significantly extended range, outperforming Bluetooth headsets by 3-5 times. Whether you're at the office, home, or on the move, this solution maximises independence and flexibility, boosting your productivity.

Yealink WH62 Key Features:

- Cordless DECT headset with DECT dongle

- Range up to 120 m

- Talk time up to 13 h

- USB charging cable

Additionally, the WH62 headset features an integrated Busylight function, signifying call status with a red indicator to ensure undisturbed cooperation and efficient workflow. Enjoy crystal-clear sound quality with wideband technology and acoustic noise cancellation, equipped with two microphones for exceptional voice clarity. Yealink's Acoustic-Shield technology further minimises external distractions, guaranteeing an exceptional communication experience for phone calls and video conferences.
