Yealink UH38 Mono Teams-W/O BAT Premium USB and Bluetooth Headset

The Yealink UH38 Mono is a premium stereo USB headset renowned for its exceptional call and music audio quality. It features dual-microphone noise cancellation and Acoustic Shield Technology, ensuring a superior call experience. With support for both USB and Bluetooth dual connections, you can effortlessly manage two call devices simultaneously, optimising call processing efficiency. Crafted from premium materials and boasting a sturdy metal frame, this headset offers a combination of texture and durability. Its soft and skin-friendly headband and ear cushions ensure all-day comfort, making it the ideal choice for enhancing productivity whether you're in the office or working remotely. Much like the Yealink UH38 Mono UC, however the UH38 Mono Teams has a teams button to integrate directly with Teams.

Yealink UH38 Mono Key Features:

- 1/2 USB-C 2.0

- 1/2 Build-in Bluetooth 5.1

- 1/2 Dual Noise-Canceling Microphones

- 1/2 Leather Ear Cushions

The UH38 seamlessly integrates with major UC platforms and natively pairs with Yealink IP phones. This versatile headset is designed to provide you with the best focus and collaboration experience, elevating your productivity to new levels. Whether you find yourself in a professional office setting or working remotely from home, the UH38 offers an unparalleled combination of audio quality, comfort, and connectivity options.
