

Yealink MVC840 Microsoft Teams Room System for Medium to Large Rooms

Product Name: Yealink MVC840 Microsoft Teams Room System for Medium to Large Rooms

Manufacturer: Yealink

Model Number: MVC840-C5-000

Yealink MVC840 Microsoft Teams Room System for Medium to Large Rooms

The Yealink MVC840 Microsoft Teams Rooms System (MVC840-C5-000) is tailored for medium to large conference rooms. It introduces a range of cutting-edge components, including the high-performance MINI-PC MCore Pro, a user-friendly Touch Plus touch panel, and a top-tier UVC84 4K PTZ camera. This versatile system supports both the CPW65 DECT wireless microphone and the VCM36-W Wi-Fi microphone (available separately), allowing you to select the perfect microphone for your meeting space. The UVC84 camera is equipped with a 4K lens, featuring 12x optical zoom and 3x digital zoom to enhance video quality.

Yealink MVC840 Key Features:

• High-Performance Components

• Microphone Options

• Enhanced Video Quality

• Sleek Design

Not only does the latest Yealink MVC generation offer advanced functionality, but it also boasts a sleek matte black appearance, adding a touch of sophistication to your conference room setup.
