Yealink MVC860 Microsoft Teams Base Bundle (No Audio) for Medium to Large Rooms

Product Name: Yealink MVC860 Microsoft Teams Base Bundle (No Audio) for Medium to Large Rooms
Manufacturer: Yealink
Model Number: MVC860-C5-000

Yealink MVC860 Microsoft Teams Base Bundle (No Audio) for Medium to Large Rooms
The Yealink MVC860 offers user-friendly video conferencing solutions explicitly designed for Microsoft Teams rooms. This series is a comprehensive video conference solution catering to meeting rooms of various sizes, ranging from small to large. To meet the specific requirements of video conferencing rooms, a high-performance mini-PC has been specially developed. This mini-PC design prioritizes aesthetics and practicality, seamlessly integrating cable management for a flexible and dependable deployment solution in any meeting room.
Yealink MVC860 Key Features:

ï¿½ Smooth tracking feature & multiple audio solution
ï¿½ Content sharing in real time
ï¿½ Simple to deploy, easy to use
ï¿½ Manage your devices remotely

The MVC series boasts a native Microsoft Teams-tailored user interface, ensuring ease of operation with virtually no learning curve. Users can simply walk into the meeting room and initiate their scheduled Teams or Skype for Business meetings with a single touch. The Yealink MVC860, for instance, includes a 4K UVC86 USB PTZ camera featuring 12x optical zoom, along with the MCore, MTouch II, and MSpeaker II Soundbar. Additionally, users have the option to select from VCM34, VCM38, or CPW90 array microphones to complement the MVC860 setup.
