

Fanvil V63 Prime Business VoIP Phone

Product Name: Fanvil V63 Prime Business VoIP Phone

Manufacturer: Fanvil

Model Number: V63

Fanvil V63 Prime Business VoIP Phone

The Fanvil V63 VoIP Phone is tailored for businesses, ensuring seamless and smart communication. With its 2.8-inch colour screen and VoIP capabilities, among other advanced features, the V63 offers both elegance and robust performance.

Fanvil V63 Key Features:

- 2.8" colour screen
- Supports audio codec G.722 and Opus, HD audio on speakerphone and handset
- Supports 6-way audio conference
- Available to link with security products, can be easily customised into various security solutions for reducing investment
- Dual Gigabit ports, integrated PoE
- Two installation methods of desktop stand and wall mountable
- Up to 21 DSS keys, every DSS key can be set as Line/BLF/ Speed Dial Key

This phone boasts an array of features, including a local phonebook with up to 1000 entries, remote phonebook support via XML/LDAP, and call logs for up to 1000 entries. It also offers intelligent features like DSS keys for easy call management and various advanced call functions like call forwarding, call waiting, call transfer, and more.

With its advanced protocols and deployment options, including auto-provisioning and remote management, the Fanvil V63 is a powerful and versatile communication solution for businesses.
