Fanvil X305 Big Button IP Phone and KT10 Wireless Button

The Fanvil X305 is a large-button IP phone specifically crafted for nursing homes, hospitals, and various settings. With a 3.5-inch color screen and oversized buttons, it ensures a user-friendly experience, supporting 2 SIP lines and PoE power supply. Additionally, the X305 is equipped with built-in 2.4GHz & 5GHz Wi-Fi and is compatible with 433MHz wireless buttons, enhancing communication efficiency and quality.

Fanvil X305 Key Features:

- 3.5-inch (320x240) colour screen
- 10-digit keys with Braille dots to meet special needs
- Support 433 MHz wireless buttons (Fanvil KT 1x/2x/3x Series)
- Four speed dial buttons, support image customisation

The Fanvil KT10 is a kinetic energy wireless button of the rebound type, incorporating patented micro-energy harvesting technology. It boast a compact size and require no batteries. This button can be paired with the Fanvil Y501 & Y501-Y series and X305 Big Button IP Phone for equipment control.
