

Fanvil HT301-U USB Wired Headset

Product Name: Fanvil HT301-U USB Wired Headset

Manufacturer: Fanvil

Model Number: HT301-U

Fanvil HT301-U USB Wired Headset

The Fanvil HT301-U USB Wired Headset is a USB-wired mono headset meticulously designed for optimal performance in office and call centre communication. Equipped with dual microphones and advanced ENC noise reduction technology, the HT301-U delivers an immersive HD audio experience. Its streamlined ergonomic design, coupled with soft leather ear cushions and an ultra-lightweight build, ensures all-day comfort.

Fanvil HT301-U USB Wired Headset Key Features

• Dual Mic Noise Reduction:

• HD Audio

• All-day Comfort

• Strong Compatibility

Specifically tailored for individual preferences, the HT301-U seamlessly connects to Fanvil IP phones with USB interfaces, third-party mainstream IP phones with USB interfaces, and PC devices.
