Yealink RCH40 Room Cable Hub

Product Name: Yealink RCH40 Room Cable Hub
Manufacturer: -
Model Number: RCH40

Yealink RCH40 Room Cable Hub
The Yealink RCH40 is equipped with four 10/100/1000Mbps ports that support 802.3af/at-compliant PoE, offering a robust total PoE power supply of up to 90W. This makes it a powerful and flexible solution for users looking to connect a video conference system. Additionally, the RCH40 features Yealink EasyConnect, enabling users to effortlessly connect it to the Yealink VCH port without the need for a power adapter, streamlining cable connections.
Yealink RCH40 Key Features:

ï¿½ Up to 90w PoE Budget
ï¿½ 4x 10/100/1000Mbps Port
ï¿½ 802.3af/at-compliant
ï¿½ PoE Priority Control

Moreover, the RCH40 incorporates Yealink SafeConnect, a valuable feature that prioritizes power distribution. In instances where PoE demand exceeds the allocated budget, low-priority devices are systematically shut down before affecting high-priority devices. With these advanced capabilities, the Room Cable Hub RCH40 stands out as an ideal choice for medium to large meeting rooms, offering a comprehensive solution for efficient and reliable connectivity.

Yealink RCH40 Technical Specifications
Features

ï¿½ 4x 10/100/1000Mbps Port
ï¿½ 802.3af-compliant
ï¿½ 90w total PoE Budget (30w per port)

Physical Feature

ï¿½ 1x LED indicate Power state
ï¿½ 1x LED indicate PoE Budget
ï¿½ Support standard PoE Supply (802.3af)
ï¿½ Power adapter: PSE 48V 2A or PoE 48V 0.27A
ï¿½ Dimension (W*D*H): 100mm x 1100mm x 23mm
ï¿½ Operating Humidity: 5%-90%

Package include

ï¿½ RCH40
ï¿½ CAT.5E Cable 7.5m
ï¿½ Quick Start Guide

Price: 148.86EUR
