Yealink A20-010 Collaboration Bar
The Yealink A20-010 is a all-in-one Collaboration Bar sets the standard for seamless communication. The package includes essential components such as a power adapter, wall-mount bracket, and cables, ensuring a hassle-free setup. Accompanying the collaboration bar is the VCR11 remote control, providing convenient and efficient control over the system. With a built-in 2-year hardware warranty, users can experience peace of mind knowing their investment is protected. The Collaboration Bar boasts compatibility with Native Teams mode, Native ZoomRoom mode, and supports various UC Providers, making it a versatile solution for diverse communication needs. Elevate your collaboration experience with this comprehensive and feature-rich solution tailored for small meeting spaces.
Yealink A20-010 Key Features:

ï¿½ Smart Video Collaboration
ï¿½ See Everyone Clearly
ï¿½ Smart Video Conferencing with AI Technology
ï¿½ Precise Sound Localisation, Full-Duplex Experience

Yealink MeetingBar A20 is an all-in-one video collaboration solution for small rooms, featuring a 20MP camera, 133° superwide-angle lens, and AI technologies like Auto Framing and Speaker Tracking. With 8 MEMS microphones and noise-proof technology, it ensures excellent audio in small spaces. Combining computing unit, camera, microphones, speaker, Wi-Fi, and Bluetooth, A20 offers easy deployment. Supporting Zoom and Microsoft Teams, it eliminates the need for a separate PC. A20 enables content sharing and whiteboard functions for more collaborative meetings, delivering exceptional video collaboration performance.
