Yealink A30-010 Collaboration Bar

The Yealink A30-010 stands out as a premier collaboration bar designed for medium-sized rooms. The package includes the A30 all-in-one collaboration bar, a power adapter, wall-mount bracket, cables, and a VCR11 remote control. With a 2-year hardware warranty, users can trust in the product's durability. The A30 offers seamless integration with Native Teams mode and Native ZoomRoom mode, catering to diverse collaboration preferences. Additionally, it supports various UC providers, making it a versatile solution for effective and efficient meetings in medium-sized spaces.

Yealink A30-010 Key Features:

- Smart Video Collaboration
- See Everyone Clearly
- Two cameras design with AI technology
- Precise Sound Localisation, Full-Duplex Experience

Yealink MeetingBar A30 Teams Edition is an all-in-one video collaboration bar for medium sized rooms. It features an 8MP camera with a 120° superwide-angle lens for high-quality video. AI technologies like Auto Framing and Speaker Tracking enhance the conference experience. With an electric privacy shutter, 8 MEMS microphones, and noise-proof algorithm, it ensures clear audio in medium rooms. Supporting human body detection, A30 provides a fast meeting experience. It combines computing unit, camera, microphones, speaker, Wi-Fi, and Bluetooth for easy deployment without the need for a PC. Compatible with Zoom and Microsoft Teams, A30 supports content sharing and whiteboard features, making meetings more collaborative. In summary, A30 offers simplicity and powerful features for excellent video collaboration.
