

Yealink WH64 Mono Microsoft Teams

Product Name: Yealink WH64 Mono Microsoft Teams

Manufacturer: Yealink

Model Number: WH64 Mono Teams

Yealink WH64 Mono Microsoft Teams

The Yealink WH64 Mono Microsoft Teams is a over-the-Head DECT Wireless Headset, designed for business communication, integrating DECT and Bluetooth modes for efficiency and flexibility. Its advanced Acoustic Shield 2.0 technology filters out background noise for clear sound transmission, and an integrated busylight signals your call status to avoid interruptions. Its high-quality materials, lightweight build and ergonomic design provides an all-day comfortable wearing experience. It connects seamlessly with IP phones and Microsoft Teams for plug-and-play connection and device switching, ideal for clear conversations and smooth office experiences.

Yealink WH64 Mono Microsoft Teams Key Features:

- DECT and Bluetooth hybrid wireless technology
- Plug and play for mainstream IP phones
- 3-Mic Noise Cancellation/Acoustic Shield Technology 2.0
- Designed for use with Microsoft Teams
- All-day wearing comfort
- Connect to multiple devices
- Hybrid visual busylight
- Up to 32 hours of talking time (in Bluetooth mode)
- Up to 16 hours of talking time (in DECT mode)

The Yealink WH64 Mono Microsoft Teams is specifically crafted for seamless integration with Microsoft Teams, ensuring optimal communication efficiency. It combines DECT and Bluetooth technologies, offering versatility in wireless connectivity. With advanced 3-Mic Noise Cancellation/Acoustic Shield Technology 2.0, it delivers crystal-clear audio even in noisy environments. It supports plug-and-play functionality for most IP phones, enabling quick setup. Users can effortlessly connect to multiple devices, enhancing flexibility. Designed for prolonged use, it prioritizes all-day comfort, complemented by a hybrid visual busylight for effective call management. Enjoy extended talk time of up to 32 hours in Bluetooth mode or 16 hours in DECT mode, ensuring uninterrupted communication throughout the day.
