

Yealink MP58-WH E2 Teams (MP58-WH E2 Teams)

Product Name: Yealink MP58-WH E2 Teams (MP58-WH E2 Teams)

Manufacturer: Yealink

Model Number: MP58-WH E2 Teams

Yealink MP58-WH E2 Teams (MP58-WH E2 Teams)

The Yealink MP58-WH E2 Teams is a sophisticated communication device designed for Microsoft Teams. Running on Android 13, it features a 7-inch touchscreen that provides an intuitive and responsive user experience. Equipped with HD audio and a wireless Bluetooth handset, it ensures high-quality, hands-free calling. Additionally, the MP58-WH E2 includes a dedicated Teams button for seamless collaboration, along with built-in Bluetooth and WiFi for versatile connectivity options. Yealink MP58-WH E2 Teams Key Features:

• Android 13

• 7" Touch Screen

• HD Audio

• Wireless BT Handset

• Teams Button

• Built in BT and WiFi

Future-Proof, Fast and Safe Call

Enhanced with a significant performance boost, Android 13 allows for extended software updates and delivers a smooth, consistent experience throughout the product's lifecycle. Built on Android 13, newly adopted by Yealink, the system's verification, encryption, and access management provide comprehensive security across device, application, runtime, network, and data layers. The MP58-WH E2 ensures every call is both fast and secure.

MDEP Coming Soon, Stay Ahead in Security and Management

Easy Deployment: Simplifies device deployment, reducing both cost and complexity. **Enhanced Management:** Empowers IT professionals to detect issues and implement solutions automatically, without the need for manual intervention. **Integrated Security Mechanisms:** Authorized access, hardware-backed device attestation, and secure monitoring services work together to effectively counteract malicious attacks and prevent data leaks.

To Hear, To Voice Communicate to Create

Powered by Yealink Optimal HD audio, Acoustic Shield, and Smart Noise Filtering, enjoy high-quality communication free from disruptive noise. Experience improved audio clarity with loudness enhancement, hands-free speakerphone with AEC, and full-duplex technology, ensuring every idea is conveyed seamlessly. With its HAC handset, the MP58 E2 creates an inclusive audible experience for all. Hear, connect, and create.

Press or Touch, A Real Phone

Touchable hard keys make dialing easy and precise. Simply click, pick up, and call with the accessible dial pad at your fingertips. Enhance productivity on the MP58-WH E2's 7-inch adjustable capacitive touchscreen, designed with an advanced anti-fingerprint coating.

Mobility, Flexibility, Out of Limits

Redefining office communication, the MP58-WH E2's wireless Bluetooth handset keeps you connected with unmatched freedom and flexibility. Move freely within a 10-meter range, sparking creativity as you step away from the confines of your desk. Stay active and healthy, breaking free from the monotony of a fixed workspace.

Native Microsoft Teams Use, Navigate Your Collaboration

Easily transition to the intuitive, Microsoft Teams-optimized interface, navigating effortlessly with quick, direct operations on the MP58-WH E2. Experience a premium collaboration environment on Microsoft Teams, with essential calling features at your fingertips anytime, anywhere. Bring together your team's collective insights instantly.
