

Snom HM2 DECT Hospitality Handset (HM2)

Product Name: Snom HM2 DECT Hospitality Handset (HM2)

Manufacturer: Snom

Model Number: HM2

Snom HM2 DECT Hospitality Handset

With the Snom HM2 you can expand your Snom HM201 with up to four additional cordless handsets and thus offer your guests all the benefits in a larger space, as you can make calls in up to five locations/rooms. In addition to their own charging cradle, all handsets have an elegant design and a large, clear colour display that your guests will find easy to navigate. It also has an antibacterial housing to protect against germs and is therefore easy to clean. This model can be customised via the display

Snom HM2 Key Features

- Cordless DECT handset for extending the Snom HM201

- Antibacterial housing

- Large 2.8" colour display

- Programmable service key list

- Hearing aid compatible

- Colour: Black
