

Fanvil V66 Prime Business Phone (V66)

Product Name: Fanvil V66 Prime Business Phone (V66)

Manufacturer: Fanvil

Model Number: V66

Fanvil V66 Prime Business Phone (V66)

Fanvil V66 Prime Business Phone is a color-screen prime business phone integrating audio and video, designed for advanced business users who focus on efficient communication. With an original aesthetic design style, V66 features a 7-inch high-definition adjustable color touch screen, ultra-high-definition gorgeous sound quality. It is built-in Bluetooth 5.4 and 2.4G/5G dual-band Wi-Fi and supports Wi-Fi 6, providing users with excellent interaction and a comfortable real-time interconnected communication experience.

Smart Screen, All-New UI The 7-inch HD adjustable touchscreen features a new UI with responsive touch controls. The screen adjusts smoothly from 0 to 40°, allowing users to find the optimal viewing angle for comfort.

Antimicrobial Surface for Healthier Workspaces The handset and keypad are made with high-efficiency antimicrobial materials which provides long-lasting protection, ensuring a hygienic and safe experience every time.

H.264 1080p Video Decoding for Clear Communication Fanvil V66 Prime Business Phone supports H.264 1080p video decoding, allowing users to view the other party in real time during calls. It enhances the clarity and fluidity of communication, providing a more direct and intuitive experience.

Multiple Video Modes for Enhanced Security Supports RTSP URL integration for seamless connection with video surveillance and access control systems. View live footage anytime, communicate with the access control system, and unlock doors with one touch, delivering an efficient and convenient security experience.

6-way Audio Conference Efficient Collaboration Fanvil V66 Prime Business Phone supports 6-way audio conference, offering more convenient and efficient meeting organization. With built-in 2.4G & 5G Wi-Fi (Wi-Fi 6) and Bluetooth 5.4, delivers a seamless wireless office experience.
