Fanvil W610W WiFi Phone B-Stock

The Fanvil W610W stands out as a portable and stylish Wi-Fi phone designed specifically for mobile communication applications. Equipped with built-in dual-band 2.4G & 5G Wi-Fi, this device ensures stable and efficient communication across a variety of wireless network environments. Additionally, it seamlessly integrates Bluetooth 5.0 for easy pairing with headsets and other mobile devices.

Fanvil W610W Key Features:

• 2" 240 x 320 color screen with intuitive user interface

• Drop-safe from 1.8-meter height

• Built-in dual-band Wi-Fi (2.4G/5G)

• Support IEEE802.11k/v/r roaming

Featuring a rechargeable 1900mAh battery, the W610W is capable of delivering 9 hours of talk time or an impressive 200 hours of standby time. Its versatile applications extend to various wireless scenarios, including enterprises, shopping malls, residential areas, hotels, and warehouses, providing users with a high-quality mobile communication experience.
