Yealink MB Remote Control (MB-Remote)

Product Name: Yealink MB Remote Control (MB-Remote)
Manufacturer: Yealink
Model Number: MB-Remote

Yealink MB Remote Control (MB-Remote)
The MB Remote Control is designed specifically for MeetingBoard and MeetingBoard Pro. Take charge of your presentations like never before.
Yealink MB Remote Key Features

ï¿½ Plug-and-Play Setup: Includes a pre-paired USB dongle/receiver for rapid deployment — simply plug into the host device and start.
ï¿½ Wireless Control (2.4 GHz): Operates over a private 2.4 GHz wireless link with up to approximately 10 m range, enabling presenter mobility.
ï¿½ Presentation Navigation Tools: Offers multimedia page-turning (next/previous slide), an “air mouse” mode for cursor control, and dedicated presentation navigation buttons.
ï¿½ Meeting-Control Functions: Built-in controls for microphone mute/unmute, camera on/off or switch, volume adjustment — enabling meeting moderator control from the remote.
ï¿½ Ergonomic & Business-Ready Design: Lightweight (~51.5 g), designed for continuous business usage (operating temps 0-40 °C, humidity 10-95 %).
ï¿½ Compatibility with MeetingBoard Series: Optimised for use with the Yealink MeetingBoard range (such as MeetingBoard 65/86) and other conference endpoints.
