Yealink T73U VoIP/SIP Phone (T73U)

Product Name: Yealink T73U VoIP/SIP Phone (T73U)

Manufacturer: Yealink

Model Number: T73U

The Yealink T73U PoE VoIP/SIP Phone is an all-in-one business phone that enables excellent voice communication and extended functionality. Equipped with Hall switch technology, it helps create a quieter office environment. The redesigned appearance of Yealink's new T73U makes the phone slimmer, more stylish, and aligned with modern aesthetic standards. The sound quality of the Yealink T73U phone is high definition, making communication easier. Yealink combines cutting-edge hardware and software with broadband technology to achieve superior acoustic performance. Its hearing aid compatible (HAC) handset helps people with hearing loss to hear sounds more clearly. The T73U supports five-page turning and up to 40 programmable buttons. In addition, the T73U can be cascaded to up to 3 expansion units. A total of 234 programmable buttons effectively saves operation time and increases office efficiency.Yealink T73U Technical Specifications:
