Gigaset P800 KEY PRO Extension (P800)

The Gigaset P800 KEY PRO is a powerful expansion module designed for Gigaset professional IP desk phones. It features 20 physical function keys with LED status indicators and supports up to 60 individually assignable functions, making it ideal for reception areas, administrative workstations, and high-call-volume environments.

Thanks to its large 6.8-inch high-resolution colour display, users benefit from excellent visibility and efficient call management. The module connects easily via USB with simple plug-and-play installation.

The P800 KEY PRO is compatible with the following Gigaset IP PRO models:

- Gigaset P810 IP PRO
- Gigaset P810B IP PRO
- Gigaset P820 IP PRO
- Gigaset P825 IP PRO
- Gigaset P850W IP PRO
