

Gigaset P810B IP PRO Bluetooth Professional Desk Phone (P810B IP PRO)

Product Name: Gigaset P810B IP PRO Bluetooth Professional Desk Phone (P810B IP PRO)

Manufacturer: Gigaset

Model Number: P810B IP PRO

Gigaset P810B IP PRO

The Gigaset P810B IP PRO is a professional SIP/IP desk phone designed for modern business communication environments such as offices, reception areas, and shared workspaces. It combines strong core telephony performance with enhanced flexibility through integrated Bluetooth connectivity, making it well suited for users who require wireless headset support alongside standard VoIP desk phone functionality.

Gigaset P810B IP PRO Key Features

- 3.36-inch TFT colour display with 320 × 240 resolution
- 4 self-labelling programmable LED function keys, expandable up to 12 functions
- Integrated Bluetooth 5.2 for wireless headsets and accessories
- HD voice quality with advanced noise suppression
- Hearing-aid compatible handset
- Full-duplex hands-free speakerphone
- Integrated Gigabit Ethernet with 2-port switch
- Power over Ethernet (PoE) support for single-cable installation
- RJ9 headset connectivity (wired option)
- USB Type-A port for accessories and expansion
- Compatibility with major SIP platforms and PBX systems
- Remote provisioning and management via Gigaset GRAPE platform
- Expandable with Gigaset P800 KEY PRO module

Typical Use Cases

- Office professionals needing wireless headset freedom
- Reception and administrative staff
- Hybrid and flexible working environments
- Users wanting a compact but more advanced entry-level IP desk phone
