

Yealink RoomSensor Pro Smart Occupancy Sensor (RoomSensor Pro)

Product Name: Yealink RoomSensor Pro Smart Occupancy Sensor (RoomSensor Pro)

Manufacturer: Yealink

Model Number: Room Sensor Pro

The Yealink RoomSensor Pro is an intelligent occupancy sensor designed to provide accurate real-time workspace utilisation data for meeting rooms, collaboration spaces, and office environments. By detecting room occupancy and counting the number of people present, it enables automated room booking management, helping organisations recover unused meeting space caused by no-shows while accurately identifying impromptu room usage. Integrated with Yealink's room management ecosystem and compatible with third-party booking and building management platforms, the RoomSensor Pro delivers valuable insights into workplace utilisation, supporting data-driven decisions for hybrid working environments. Its discreet ceiling-mounted design ensures reliable operation without disrupting the daily workplace experience.

Yealink RoomSensor Pro Technical Specification

Overview

Key Features:

- Intelligent Occupancy Detection for Meeting Rooms and Workspaces
- Real-Time People Counting and Space Utilisation Monitoring
- Integration with Room Booking and Building Management Platforms

Detection Features:

- Configurable Detection Zones
- Sensitivity Adjustment
- Occupancy Detection and People Counting

Management:

- Yealink Device Management Platform (YDMP)
- Remote Configuration
- Occupancy Data Dashboard
- API Integration with Room Booking Platforms
- Integration Settings Management via YDMP

Connectivity:

- Wi-Fi 802.11 b/g/n
- Ethernet (PoE)
- IPv4 Support

Security:

- HTTPS Communication
- TLS Data Transmission
- YDMP Access Control

Yealink RoomSensor Pro Smart Occupancy Sensor (RoomSensor Pro)

Interfaces:

- RJ-45 PoE Port
- Wi-Fi Connectivity
- LED Status Indicator
- Ceiling Mounting Bracket

Power Supply:

- Power over Ethernet (IEEE 802.3af)

Dimensions:

- 134mm (Diameter) x 38mm (H)

• Unit Weight: Approximately 200g

Package Contents:

- 1x Yealink RoomSensor Pro
- 1x Ceiling Mount
- 1x Ethernet Cable
- 1x Quick Start Guide
