

Yealink SmartVision 80 360° AI Conference Camera (SmartVision 80)

Product Name: Yealink SmartVision 80 360° AI Conference Camera (SmartVision 80)

Manufacturer: Yealink

Model Number: SmartVision 80

The Yealink SmartVision 80 is a 360-degree intelligent conference camera designed for large meeting rooms, boardrooms, and training spaces. Using an omnidirectional lens array and AI-powered speaker tracking, it automatically identifies and frames active speakers, providing remote participants with a clear and focused view during meetings. The SmartVision 80 delivers 4K UHD video quality and incorporates an integrated 8-microphone beamforming array with acoustic echo cancellation, noise suppression, and full-duplex audio processing. Compatible with Microsoft Teams Rooms, Zoom Rooms, and other leading UC platforms, it offers a simple USB-connected solution that combines high-quality video coverage and audio capture in a single device.

[Yealink SmartVision 80 Technical Specification Overview](#)

½ Camera Features:

- ½ 360-Degree Omnidirectional Lens Array
- ½ AI Speaker Tracking
- ½ Presenter View Switching
- ½ Group View Switching
- ½ Multi-Stream Video Output
- ½ 4K UHD Video Resolution

½ Audio Features:

- ½ 8-Microphone Beamforming Array
- ½ Acoustic Echo Cancellation
- ½ Noise Suppression
- ½ Full-Duplex Audio Processing
- ½ Frequency Response: 100Hz – 16kHz

½ Connectivity:

- ½ USB Plug-and-Play
- ½ USB-A Connection to Host Device
- ½ No Standalone Network Connection Required

½ Management:

- ½ Yealink Device Management Platform (YDMP) Compatible
- ½ Firmware Updates via USB
- ½ Firmware Updates via YDMP
- ½ Microsoft Teams Platform Management
- ½ Zoom Platform Management

Yealink SmartVision 80 360° AI Conference Camera (SmartVision 80)

Security:

- Standard USB Device
- Host Platform Security Applies

Interfaces:

- USB-A Output
- USB-C Power Input
- Multi-Stream Video Output
- LED Status Indicators

Platform Compatibility:

- Microsoft Teams Rooms
- Zoom Rooms
- Compatible with UC Platforms Supporting Standard USB Camera and Audio Devices

Dimensions:

- 176mm (L) x 176mm (W) x 77mm (H)

Unit Weight: Approximately 1.3kg

Package Contents:

- 1x Yealink SmartVision 80
- 1x USB Cable
- 1x USB-C Power Cable
- 1x Mounting Pad
- 1x Quick Start Guide
