

Yealink MeetingBar A25 Bundle (A25-031)

Product Name: Yealink MeetingBar A25 Bundle (A25-031)

Manufacturer: Yealink

Model Number: A25-031

The Yealink A25-031 MeetingBar Bundle is an all-in-one video conferencing solution designed for small meeting rooms, focus rooms, and huddle spaces. Combining the Yealink MeetingBar A25 with the CTP25 Touch Console, it delivers a streamlined, single-cable deployment that reduces clutter while enabling intuitive in-room control. Built on Android 13 and the Microsoft Device Ecosystem Platform (MDEP), the A25-031 provides a secure, intelligent, and highly integrated meeting experience. With triple-camera AI capabilities, advanced audio processing, and support for major UC platforms, it is engineered to deliver high-quality collaboration with minimal setup complexity.
