

Yealink MeetingBar (A25-010)

Product Name: Yealink MeetingBar (A25-010)

Manufacturer: Yealink

Model Number: A25-010

The Yealink MeetingBar A25-010 is an all-in-one Android-based video conferencing bar designed specifically for focus rooms and small meeting spaces. With a 151° wide field of view, AI-powered audio and video processing, and a simplified single-cable deployment design, it delivers a smart, professional plug-and-play collaboration experience. Built for modern hybrid working environments, the A25-010 combines intelligent framing, high-quality 4K video, and enterprise-grade audio in a compact form factor that is easy to deploy and manage at scale.
