

## Yealink BH76 Plus Bluetooth Headset Teams (BH76 Plus Teams Black USB-C/A)

Product Name: Yealink BH76 Plus Bluetooth Headset Teams (BH76 Plus Teams Black USB-C/A)

Manufacturer: Yealink

Model Number: BH76 Plus Teams Black USB-C/A

### Yealink BH76 Plus Bluetooth Headset Teams

The Yealink BH76 Plus Bluetooth Wireless Business Headset provides a stylish appearance with ultimate audio quality, unparalleled wearing comfort, retractable hidden microphone arm technology, three levels of active noise cancellation (ANC), and Yealink Acoustic Shield Technology supported by five microphones. With soft memory foam and an ergonomic over-ear design, the BH76 Plus can be worn comfortably all day. The BH76 Plus supports two different wearing modes &mdash; on-ear and over-ear &mdash; via a replaceable ear cushion design. The built-in firmware automatically recognises the type of ear cups fitted and adjusts audio parameters accordingly, ensuring the best experience in any situation. With Yealink Acoustic Shield Technology, the five microphones built into the BH76 Plus block background noise automatically while ensuring the participant's voice is heard clearly, greatly boosting communication efficiency. Three levels of ANC combined with an upgraded ear cushion providing passive noise isolation deliver an average noise reduction of 35 dB. The BH76 Plus supports a dynamic EQ that automatically switches between call mode and music mode. Its long battery life offers up to 35 hours talk time and up to 40 hours music time. The headset supports both USB and Qi wireless charging, and dual-side busylights automatically glow red during calls or meetings to reduce external interference. Yealink BH76 Plus Technical Specifications:

#### Battery

- Talking time: up to 35 hours
- Music time: up to 40 hours
- Standby time: 360 hours
- Charging time (cable): within 2 hours
- Charging time (wireless charging): within 3 hours
