

## Yealink W74H DECT Handset (W74H)

Product Name: Yealink W74H DECT Handset (W74H)

Manufacturer: Yealink

Model Number: W74H

Please Note: This listing is for the W74H handset only. A compatible base station (e.g. Yealink W70B) is required and sold separately.

### Yealink W74H DECT Handset (W74H)

The Yealink W74H DECT Handset is a new generation wireless handset designed for business use, with a modern, compact design that is sleeker and easier to carry. Combining wireless communication with rich VoIP business features, the W74H delivers convenient mobility, excellent speech quality, and DECT-encrypted call security. The W74H offers HD voice with FNR (Flexible Noise Reduction)/Noise Cancellation for crystal-clear calls in any environment. Bluetooth 5.1 and a 3.5 mm headset jack provide flexible headset connectivity, while built-in vibration ensures you never miss a call even in noisy situations. With up to 24 hours of talk time and 320 hours of standby time, plus quick charging (10 minutes for 2 hours of talk time), the W74H is built for all-day business use. It is compatible with the Yealink W70B base station; the W74P system supports up to 10 handsets, 10 SIP accounts, and 20 simultaneous calls. The W74H is also compatible with the Yealink W75/W80/W90 multi-cell system.
