Product Name: Yealink UH42 USB Wired Monaural Headset UC (UH42 Mono UC USB-C/A)

Manufacturer: Yealink

Model Number: UH42 Mono UC USB-C/A

Yealink UH42 USB Wired Monaural Headset UC

The Yealink UH42 Over-the-Head Monaural Headset is a professional USB-wired headset designed for users who rely on high-quality voice communications throughout the day. Engineered for durability and comfort, the UH42 features lightweight materials and an ergonomic design refined through extensive testing, ensuring all-day wearability without fatigue. With ergonomically designed curved arms, ideal clamping force and even pressure distribution are ensured. The TPE soft rubber and contoured headband design ensure a comfortable, snug fit for all wear preferences. Soft memory foam and a generously sized ear cushion allow for breathable comfort, while the earcup rotates to fit your every move. The UH42's plug-and-play functionality allows for quick deployment across PCs and compatible IP phones. With its 300° adjustable boom, the UH42 supports flexible dual-side wear. It also features a durable, tangle-free cable built to last through daily use. With a noise-cancelling microphone and Yealink Acoustic Shield 3.0's advanced voice isolation algorithm to eliminate background noise, paired with a professional-grade 35 mm speaker, the UH42 delivers reliable audio quality for every call. With Yealink USB Connect (YUC) and Yealink Management Cloud Service (YMCS), IT managers can streamline deployment, management, and upgrades effortlessly. Yealink UH42 Technical Specifications:
