

Yealink W71H DECT Handset (W71H)

Product Name: Yealink W71H DECT Handset (W71H)

Manufacturer: Yealink

Model Number: W71H

Please Note: This listing is for the W71H handset only. A compatible base station (e.g. Yealink W70B) is required and sold separately.

Yealink W71H DECT Handset (W71H)

The Yealink W71H DECT Handset is a new generation wireless handset designed for business use, featuring a modern, compact design that is sleeker and easier to carry. Combining wireless communication with the rich business features of Voice-over-IP telephony, the W71H empowers users with convenient mobility, excellent speech quality, and DECT-encrypted call security. The W71H delivers HD voice with FNR (Flexible Noise Reduction)/Noise Cancellation for crystal-clear calls in any environment. With up to 30 hours of talk time and 340 hours of standby time, plus quick charging (10 minutes for 2 hours of talk time), the W71H is built for all-day business use. It is compatible with the Yealink W70B base station; the W71P system supports up to 10 handsets, 10 SIP accounts, and 20 simultaneous calls. The W71H is also compatible with the Yealink W75 mini multi-cell system for office expansion. Yealink W71H Technical Specifications:
