

Yealink WH68 Teams DECT Wireless Headset (WH68 Teams)

Product Name: Yealink WH68 Teams DECT Wireless Headset (WH68 Teams)

Manufacturer: Yealink

Model Number: WH68 Teams

Yealink WH68 Teams DECT Wireless Headset (WH68 Teams)

The Yealink WH68 Teams DECT Wireless Headset is certified for Microsoft Teams, delivering professional-grade wireless communication for the modern workplace. Integrating DECT and Bluetooth dual-mode technology, it enables seamless multi-device switching between PC, desk phone, and mobile. Equipped with four intelligent noise-canceling microphones and Hybrid Active Noise Cancellation (ANC) technology, it eliminates environmental noise interference, ensuring crystal-clear calls and helping professionals stay focused. The WH68 Teams features Yealink's Acoustic Shield Technology 3.0, which intelligently identifies sound directions and effectively blocks background noise except for the speaker's voice. With up to 16 hours of talk time in DECT mode and up to 32 hours in Bluetooth mode, it handles all-day communication without interruption. Charging takes just 1.5 hours, and the ergonomic stereo design provides all-day wearing comfort through extensive head-form evaluation and comfort testing. Yealink WH68 Teams Technical Specifications:
