Yealink YHS36 E2 Mono Wired Headset (YHS36 E2 Mono)

The Yealink YHS36 E2 Mono Wired Headset is a monaural over-the-head analog headset designed for office professionals, SOHO users, and call centre staff. Featuring a QD (Quick Disconnect) connection with a QD to RJ9 cable for plug-and-play compatibility with Yealink IP phones, it delivers optimised audio quality right out of the box. Yealink desk phones automatically optimise acoustic parameters for the YHS36 E2. The YHS36 E2 Mono is equipped with a noise-cancelling microphone to reduce outside noise and a wideband HD audio speaker for richer, clearer conversations. ActiveProtection technology safeguards users from acoustic injury. Its 300° bendable boom arm adjusts easily without breaking. Based on extensive ergonomic research including hundreds of head shape evaluations and thousands of comfort tests, the YHS36 E2 Mono provides optimal stability and all-day wearing comfort.
