### Yealink UH35 Dual UC USB-C/A Wired Headset (UH35 Dual UC USB-C/A)

The Yealink UH35 Dual UC Wired Headset is a UC platform certified professional USB wired headset designed for productive communication in the office or at home. With a 35 mm speaker and excellent stereo sound, it delivers an extraordinary audio experience for both calls and music. The dual noise-cancelling microphones with Acoustic Shield Technology intelligently shield background noise and pick up only the speaker's voice, ensuring crystal-clear call quality. The UH35 Dual UC features noise-isolating foam oval ear cushions for excellent passive noise cancellation and is ultra-lightweight with a skin-friendly leather headband and ear cushions for all-day wearing comfort. The integrated busylight glows red automatically when you are on a call or in a meeting to reduce external interruptions. It connects via USB-A or USB-C and integrates natively with Yealink IP phones. Yealink UH35 Dual UC Technical Specifications:
